

SAMPLE INTRODUCTION
Make Difficult People Disappear
Monica Wofford, CSP

Ladies and gentlemen,

Our next speaker has spoken in all 50 States and 32 countries. She gave her first keynote at age 18 to nearly 9000 students. Since then, Meetings and Conventions Magazine has named her one of their FAVORITE BUSINESS speakers. Lawyer International has named her firm, Contagious Companies, Inc., a Top Ten Training Firm in the US and Corporate Vision Magazine has named her Leadership Consultant of the Year for Florida a couple of times in a row. This 7-time author of books such as *Contagious Leadership* and *Make Difficult People Disappear*, has even run a campaign for the Florida House of Representatives.

But **today's** focus is on *difficult* people. Well...let's see... while we **all** know there are NONE in politics, healthcare, human resources or on your teams and among your leaders, let's just say she's being proactive and TODAY, she's here to help us...help **them** disappear...just in case you find any in the future!

Please join me in welcoming our speaker...
